

# Adopt a Site

Street Appeal 2020  
28 & 29 Feb

## We need your help!

We need volunteers to help us collect funds in your local area and we would love your organisation to help out by 'Adopting a Site'.

### What you'll need to do:

- Get a group of your staff, colleagues or friends to volunteer to collect
- Contact us and we will find you a collection site
- Be there on the day to collect lots of funds to help children with cancer and their families

It's that easy!

We will deliver the collection buckets, stickers and posters to your organisation and provide any other support you need.

## Why we need your help

- Every week at least three Kiwi kids are diagnosed with cancer
- Child cancer affects the whole family, not just the child
- This year we supported 1,472 families across New Zealand
- Every family's cancer experience is different which is why we provide tailored support to best meet the needs of each family
- We need to raise \$6 million each year to continue providing vital support to Kiwi kids and their families
- We do not receive any direct government funding and rely entirely on donations to support families
- This is our biggest fundraiser of the year so we need all the support we can get!
